

Herring Roe Technician Job Order Description:

North Pacific Seafoods, Inc. is recruiting 4 temporary full-time Herring Roe Technicians to work for the entire work period from 3/10/2018 to 6/10/2018. Work will be performed at 5 land plant locations in Alaska in the following itinerary: Sitka (329 Katlian St.) from 3/10/2018 to 4/15/2018; Kodiak (627 Shelikof St.) from 4/15/2018 to 5/10/2018; 2 locations in Naknek (Mile 1.5 Alaska Peninsula Hwy and 3.5 Miles N. Beach Rd) and/or Twin Hills (No. 1 Cannery Rd.) from 5/10/2018 to 6/10/2018. Itinerary is approximate and subject to change depending upon fish availability.

Duties: Responsible for processing herring roe to produce Kazunoko (Japanese herring roe products) for export to Japan. Sort, salt preserve, brine, season, and process herring roe to produce Kazunoko. Inspect and pack Kazunoko according to grade. Maintain and control quality, uniformity, market acceptance, and the highest price of products. Provide technical expertise in production process, grading, and quality control and specification.

Must have 12 months of experience in processing herring roe for the Japanese market and knowledge of processing and grading standard of herring roe for the Japanese market.

Will work 40 regular hours per week with up to 40 hours of overtime per week (everyday, from 9:00 am to 11:00 pm including overtime hours). Actual overtime hours and work schedule depend upon fish availability. Regular pay is \$12.13 per hour and overtime pay is \$18.20 per hour (paid at time and a half). A single workweek will be used to compute wages due. Wages will be paid every 2 weeks. The employer will make all deductions from the worker's paycheck required by law.

The employer guarantees to offer work for hours equal to at least three-fourths of the workdays in each 6-week period of the total employment period.

Transportation to the first work location from home or the place from which the workers departed to work for the employer, and transportation between the work locations will be arranged and paid directly by the employer at no cost to the workers regardless of the percentage of the completion of the employment period. Daily subsistence during any travels will be arranged and paid directly by the employer at no cost to the workers or its actual cost will be reimbursed to the workers within 7 days upon submission of receipt.

If the workers complete 50% of the employment period or are dismissed early by the employer, return transportation to home or the place from which the workers departed to work for the employer and daily subsistence during return travel will be arranged and paid directly by the employer or its actual cost will be reimbursed to the workers within 7 days upon submission of receipt, except where the workers will not return due to

subsequent employment with another employer or where the employer has appropriately reported a worker's voluntary abandonment of employment.

Daily subsistence will be at least \$12.07 per day during travel to a maximum of \$51.00 per day with receipts.

On-site housing and meal at each work location will be provided by the employer at no cost to the workers or its actual cost will be reimbursed to the workers within 7 days upon submission of receipt. Those who choose to stay in off-campus housing will be fully responsible for their own housing, meals, and daily transportation to and from the work location.

The employer will provide the workers at no charge all tools, supplies, and equipment required to perform the job. H-2B workers will be reimbursed in the first workweek for all visa, visa processing, border crossing, and other related fees, including those mandated by the government (excluding passport fees).

Applicants should inquire or apply for the job at one of the nearest offices of the Alaska State Workforce Agency:

***When applying, please refer to Job Order #400916. Resumes and applications must include the required work experience. ***
